UNDER 37 C.F.R. § 1.97(b)**

Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the document(s) listed on the attached Form PTO-1449, which the Examiner may deem relevant to the patentability of the above-identified application.

A copy of Document A1 is not being provided since copies should have been provided directly by WIPO under an exchange program between the USPTO, the EPO, and the JPO. The absence of a translation or English-language counterpart document does not relieve the PTO from its duty to consider any submitted documents (37 C.F.R. §1.98 and MPEP § 609).

A copy of Documents A2-A13 is not being provided since the USPTO has waived the requirements under 37 CFR 1.98 (a)(2)(I) to submit copies of U.S. patents and published applications when citing and submitting an Information Disclosure Statement in a patent application filed after June 30, 2003, and International Applications that have entered the National Stage under 37 U.S.C. § 371 after June 30, 2003. Accordingly, copies of these types of documents are not being supplied in connection with this application. Reference is made to PRE-OG Notice from the Office of Patent Legal Administration dated July 25, 2003, stating that an Information Disclosure Statements may be filed without copies of U.S. patents and published applications for patent applications filed after June 30, 2003.

Applicant respectfully requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached PTO-1449.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission the listed documents are material or constitute "prior art." If the Examiner applies the documents as "prior art" against any claims in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

Except for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. §§ 1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-3024.
